Pipercross Performance Air Filter for Honda Civic (EP model)

Leading air induction specialists Pipercross now have a performance air filter that is suitable for the Honda Civic (EP) 1.4i/1.6i (110bhp), 02/'01 >

The Pipercross reticulated foam filter offers increased air flow over standard paper filters, which in turn gives improved torque and power.

The filter is a drop-in replacement for the original and suitable for DIY installation.

A Pipercross filter has a long service life - outlasting a paper filter many times over without having to be replaced or cleaned.

Pipercross Performance Air Filter for the Honda Civic (EP) 1.4i/1.6i (110bhp), 02/'01 > retails at **£34.85** including VAT and can be ordered as part number PP1556..
